CELTIC SEA SALT® PINK SEA SALT

Product Description: This amazing crystal pink sea salt is sustainably harvested from Spain and gets its color from the natural red volcanic clay. Celtic Pink sea salt has a dry and fine texture that is great for various types of applications for use in a shaker or grinder. It has become an instant favorite among culinary and health professionals. This natural pink sea salt holds many of the same virtues that Celtic Sea Salt® looks for to only source the best ingredients for you.

Ingredients: Pink Sea Salt.

Additives: Does not contain anti-caking agents, free flowing agents, or conditioners.

Appearance: Pink crystals.

Applications: This product is intended for culinary use including cooking, direct application, salt mill, and food manufacturing.

Country of Origin: Product of Spain. Manufactured in USA.

Quality Systems: Selina Naturally® is cGMP Certified, conforms to HACCP, OU Kosher Pareve Certified and compliant to Codex Standards for Food Grade Salt. Selina Naturally hand packs and examines each grain and removes unwanted foreign materials leaving only pure, unadulterated salt.

Shelf Life: Minimum 15 years from production date.

GMO Declaration: This salt is not genetically modified nor does it contain genetically modified organisms (GMO) or their derivations and genetic engineering is not applied during the production process.
