

# Celtic Sea Salt® Flower of the Ocean®

**Product Description:** Celtic Sea Salt® Brand Flower of the Ocean® is a natural phenomenon of the salt flats of pristine European coastal regions. Only when the weather conditions are just right do these small, delicate crystals form naturally on the surface of the salt brine. Flower of the Ocean® has an elegant, complex, delicate flavor balanced with a hint of sweetness. It is an unprocessed whole salt that contains no additives or anti-caking agents. It works well as delicate finishing salt.
