

# Celtic Sea Salt® Light Grey Celtic®

**Product Description:** Celtic Sea Salt® Brand Light Grey Celtic® is a whole crystal (coarse), moist salt that is mineral-rich, completely unrefined, kosher, and hand harvested. Dried by the sun and the wind, it retains the ocean's moisture, locking in a vast array of vital trace elements. Light Grey Celtic® Sea Salt is an unprocessed whole salt that contains no additives or anti-caking agents. It works best in a grinder and for cooking. The whole crystals dissolve with heat and moisture, enhancing food with a rustic, old-world flavor.
